

HONY3D-S Parameters

 	Turbo Screen	Polarizer Dimensions	234*211*25mm
		Optical Principle	Circular Polarization
		Light Transmittance	40%±1
		Cross talk ratio	0.5%
		light Efficiency	17%
		contrast Ratio	> 150: 1
		Supported Frame Rate	24/48/60 fps
		2D/3D Intelligent Switchover(TMS)	available
		one-click Transposition of left and right picture	available
			Silver Screen
Polarization contrast	> 150: 1		
	Digital Projector	Supported Brands	NEC, Barco, Christie
		Supported Luminance	32000lm
